***ACTION:* First and Final Round Approval of Revisions to Board Policy  
3010; Graduate Admission**

---

The revisions made to Board Policy 3010 are consistent with those previously made to Board Policy 3000 with respect to undergraduate admission. Revisions clarify that students are required to provide immunization records for measles, mumps and rubella, permit the Colleges to extend the deadline for providing such records for good cause and remove the notary requirement for requests for exemptions to the immunization requirement.

The System Office recommends approval of the Revisions to Board Policy 3010; Graduate Admission.

## Board of Trustees of the Nebraska State Colleges

### Student Affairs

POLICY  
NAME: Graduate Admission

POLICY  
NUMBER: 3010

---

#### **A. PURPOSE**

To provide guidance regarding such rules and regulations for the admission of graduate students as may seem to be best for the interest of the Colleges and not inconsistent with the purpose for which they have been established.

#### **B. DEFINITIONS**

None

#### **C. POLICY**

##### **1. Resident Admission**

The Colleges shall admit, as students, those persons who have a baccalaureate degree from an accredited institution. No one shall be denied admission to or continuance in any College on the basis of any individual characteristics other than qualifications for admission, academic performance and conduct in accord with College policies, rules and laws applicable to student conduct.

- 1.1. A student with a baccalaureate degree from an institution which is not accredited by one of the six (6) regional associations of colleges and schools recognized by the Colleges may be accepted conditionally, subject to an evaluation after the completion of requirements for formal admission to a graduate degree program. The regional associations of colleges recognized by the Colleges include: Middle States Association, New England Association, North Central Association, North West Association, Southern Association, and Western Association.
- 1.2. Students wishing to gain admission to graduate teacher education programs should have a baccalaureate degree with teaching credentials. Conditional admission may be granted subject to the student's completion of requirements for teacher certification.

##### **2. Non-Resident Admission**

The Colleges may admit as students those persons who are not residents of the State of Nebraska, provided that such non-residents meet the minimum standards applied to the Nebraska resident students, and that the Colleges have the necessary facilities and staff to accommodate such non-resident students.

### 3. Immunizations

- 3.1. Except as otherwise provided in this section, all entering students must show a valid immunization record for measles, mumps, and rubella (MMR) prior to the end of the first semester of on-campus attendance. The Colleges may provide an extension for an additional semester for good cause.
- 3.2. Prior to their first day of attendance in class, applicants from foreign countries are required to present a record of a TB skin test (Mantoux) or FDA-approved IGRA blood test (Quantiferon Gold or T-spot TB) completed within six (6) months prior to their first enrollment ~~in addition to the above required record of immunization.~~
  - If either of the tests is positive, a chest X-ray is required. The cost of the X-ray is borne by the student.
  - If a student lives in a country which does not offer the TB tests, the student must undergo testing upon arrival at the College.
- 3.3. A person qualifies for a medical exemption from the requirement to show proof of immunization when the person files a bona fide statement signed by a physician licensed to practice medicine within the United States verifying that the physical condition of the person seeking admission makes the required immunization unsafe and indicating the specific nature and probable duration of the condition. The exemption shall not extend beyond the period of the condition which contraindicates immunization. A person qualifying for this exemption must sign a waiver form provided by the College stating that, if an outbreak of measles or rubella occurs at the College or surrounding community, the person may be subject to exclusion from the campus and College related activities during the outbreak period.
- 3.4. A person qualifies for a religious exemption when the person files a ~~notarized affidavit~~ signed statement on an approved form that immunization is contrary to the religious tenets and practices of the signer. A person qualifying for this exemption must sign a waiver form provided by the College stating that, if an outbreak of measles or rubella occurs at the College or surrounding community, the person may be subject to exclusion from the campus and College related activities during the outbreak period.
- 3.5. A person qualifies for an exemption from the requirement to show proof of immunization and the requirement to present a record of a TB skin or FDA-approved IGRA blood test (Quantiferon Gold or T-Spot TB) completed within six (6) months prior to first enrollment when enrolled in

off-campus courses or courses offered off-campus by distance learning technology. This exemption will be revoked if, at any time, the student enrolls in on-campus courses, or at any time the student resides in on-campus housing. At that time, the student will be required to present a record of a TB skin or FDA-approved IGRA blood test (Quantiferon Gold or T-Spot TB) completed within the previous six (6) months and to show proof of immunization for measles, mumps, and rubella (MMR) during the first semester the student is taking courses on-campus.

- 3.6. According to guidelines established by the Center for Disease Control and Prevention, a person born before 1957 need not submit proof immunization for measles, mumps, or rubella.

#### 4. Procedure

- 4.1. Each College may establish a cut-off date for the submission of complete credentials for admission, and any applicant who does not submit a complete application by that date may be required to delay entrance until a subsequent semester.
- 4.2. Pursuant to Board Policies 3001, 3100, and 3200, any College may deny or condition admission, readmission or continuing admission of any applicant who, in the judgment of the College, presents an unreasonable risk to the safety and welfare of the campus and persons thereon.
- 4.3. The Graduate Record Examination (GRE), or an equivalent examination appropriate to a professional field, is recommended. The cost of any exams shall be borne by the applicant.
- 4.4. Except as provided below in sections 4.5 and 4.6 of this Policy, the State Colleges shall require applicants whose first language is not English to present evidence of proficiency in the use of the English language. Evidence of proficiency may be established by:
  - A minimum Test of English as a Foreign Language (TOEFL) score of 550 for the paper-based test with no section score lower than 56 points; or
  - A Minimum score of 79 for the internet-based test; or
  - A minimum score of 213 for the computer-based test with no section score lower than 22 points; or
  - ~~Evidence of proficiency may be established with a~~ minimum score of 6.5 on the International English Testing System (IELTS) in place of the TOEFL test, or.
  - Evidence of proficiency may also be determined by the appropriate college administrator on a case by case basis or through partnership agreements with non-English institutions.
- 4.5. International applicants who have an earned undergraduate degree from an accredited American higher education institution; who have completed

a minimum of six (6) credit hours of English composition with a “C” or better from an accredited American higher education institution; or, who provide evidence of successful completion of a recognized intensive English program are exempt from the requirement to provide evidence of English language proficiency.

- 4.6. Academically qualified international applicants may be considered for conditional acceptance as degree-seeking students if they are enrolled in a recognized intensive English language program. Upon satisfactory completion of the program, and assuming all other admission requirements are met, they may be considered eligible for full admission as degree-seeking students to the College.
