Meeting Date: **June 11, 2026**

Agenda Item: **2.12**

ITEMS FOR DISCUSSION AND ACTION:

Committee: **Academic & Personnel Committee**

Action Item: **Logan University Chiropractic Agreement - WSC**

Wayne State College (WSC) proposes to continue their current agreement with Logan University (LU) to facilitate the admissions process, allowing students to transfer credits from LU back to WSC to complete a bachelor's degree in a Life Science or Health Science program.

Under the provisions of this program, students will graduate at WSC with a baccalaureate degree with a minimum of 90 credit hours in coursework at WSC and a minimum of 30 credit hours in coursework at LU.

The agreement defines coursework to be completed at WSC for a student intending to matriculate at LU, special terms of admission to LU 3+3 Articulation Agreement (3+3 program), and special criteria for the awarding of the baccalaureate degree to participating students. The Agreement will be effective July 1, 2026 and shall expire on June 30, 2029.

The System Office recommends approval of the Logan University Chiropractic Agreement at Wayne State College.

ARTICULATED PROGRAM AGREEMENT BETWEEN
 LOGAN UNIVERSITY
 AND
 THE BOARD OF TRUSTEES OF THE NEBRASKA STATE
 COLLEGES
 DOING BUSINESS AS WAYNE STATE COLLEGE

I. INTRODUCTION

Based upon a mutual respect for the integrity of parallel academic programs and in an effort to better serve students intending to pursue the chiropractic profession, Logan University (Logan) and the Board of Trustees of the Nebraska State Colleges doing business as Wayne State College (WSC) hereby enter into this Agreement for an articulated program. This Agreement will define coursework to be completed at WSC for a student intending to matriculate at Logan, special terms of admission to Logan 3+3 Articulation Agreement (3+3 program), and special criteria for the awarding of the baccalaureate degree to participating students.

Objectives of the Agreement:

1. To attract qualified students to WSC and Logan.
2. To facilitate the transition of students from WSC to Logan.
3. To provide specific advisement for students of WSC who intend to pursue professional study at Logan.
4. To encourage academic and administrative coordination between institutions and the exchange of evaluative information on the outcomes of the program with the goal of continual improvement.
5. To provide qualified students the opportunity to complete the baccalaureate degree and the Doctor of Chiropractic Degree in one less year than the normal time, i.e. 7 years.

II. ARTICULATION AGREEMENT

1. Under the provisions of this program, a 3+3 Program student will graduate at WSC with a baccalaureate degree with a minimum of 90 credit hours in coursework at WSC and a minimum of 30 credit hours in coursework at Logan.

For every subject required by Logan (either offered by WSC or Logan), no grade below a 2.0 (“C”) on a 4.0 scale will be accepted for credit in this articulated program. In addition, all 3+3 Program students must have earned a cumulative grade point average of at least 2.75 for the 90 credit hours at WSC to be considered for admission.

1. In Logan's continued efforts to remain at the forefront of advanced, doctoral education, updates to courses may arise. Alternative courses may be considered for degree completion credit at the discretion of WSC.
2. Students are admitted to Logan only as first year Doctor of Chiropractic students. Upon completion of the required coursework, 30 credit hours from Logan may be transferred toward completion of the baccalaureate degree at WSC. In order to graduate from WSC, an official transcript must be sent from Logan to a designated official within WSC, and the student must request and complete application materials for graduation.
3. While enrolled at WSC, students will complete all required coursework as outlined above and described in the WSC catalog.
4. The acceptance of transfer credits or testing toward completion of degree requirements shall be governed by current policies of WSC.
5. In order to be granted *the Bachelor of Science with a comprehensive major in Life Science-Health Sciences degree* from WSC, students must have successfully completed a total of at least 120 credit hours.
6. Logan shall accept, for the entrance date of its choice, all students who successfully complete the Pre-Chiropractic Program with a cumulative GPA of 3.0 or higher and meet all other criteria for admission.
7. Students who earn less than a 3.0 GPA, but at least a 2.75 or higher may be eligible for admission to Logan at the discretion of Logan University's Vice President of Admissions and Financial Aid, and will receive appropriate consideration in the standard admission process for having completed the WSC Pre-Chiropractic Program. Such student will not receive the assurance of a seat reserved for students earning a 3.0 or higher GPA and will be assessed under an alternative admission track.
8. Students will complete an application to Logan six (6) months to a year in advance of their desired entrance date and will complete all required application procedures thereafter in a timely manner, including submission of all official transcripts and a personal statement of motivation.
9. Students enrolled in the 3+3 Program who successfully complete all required coursework at Logan with no grade below a 2.0 on a 4.0 scale will be granted the baccalaureate degree from WSC, provided they have met all other WSC's graduation requirements.
10. Students shall pay the appropriate tuition and fees to each institution for all coursework taken at that institution. During their first year of study at Logan, students shall not be registered for courses at WSC, but shall pay any fees required to maintain their registration toward the baccalaureate degree. Upon completion of the assigned coursework within the first year of study at Logan, students shall be responsible for any fees regularly charged by WSC for transfer of credits and awarding the baccalaureate degree.

III. MUTUAL PROMOTION AND STUDENT ADVISEMENT OF THE PROGRAM

Logan and WSC agree to encourage qualified students to participate in this 3+3 Program through advisement and dissemination of information. The institutions agree to remain in contact with each other and apprise each other of any changes to the appointed advisor/faculty member assigned to oversee students attending under the 3+3 Program. The appointed advisor/faculty member for each institution will make every effort to:

1. Maintain a list of students actively pursuing the program with the intent to enroll under the 3+3 Program and keep each other informed of those students through the use of the supplemental Application of Intent form.
2. Maintain regular communication with Logan to update on any changes to the appointed representative's contact information for the purpose of marketing on Logan's website. The appointed WSC representative for purposes of monitoring and oversight of this Agreement is Ronald Loggins, rologgil@wsc.edu, (402) 375-7030.
3. Will provide Logan's assigned representatives the opportunity for periodic visits for the purpose of meeting with students and for recruitment.
4. Care will be taken by WSC to make students aware that some state boards of chiropractic may require completed baccalaureate degrees, prior to chiropractic study, and to advise students planning to practice in those states accordingly.
5. Both institutions agree to promote the 3+3 program in their recruitment activities; online and print marketing pieces; and to refer prospective students, when appropriate, to the other's admission office.

IV. CONTINUATION AND TERMINATION OF THE AGREEMENT

By signing, both institutions acknowledge that this Agreement shall remain intact for 3 years beginning on July 1, 2026 and ending June 30, 2029 unless stated, in writing, that the Agreement is being terminated. After the 3-year period the Agreement will either be updated or terminated. If terminated, both institutions will honor the terms of the Agreement until all students already admitted into Logan are given the opportunity to complete the program in a timely manner and meet the terms in place.

If anything changes on this Agreement for either institution. The necessary institution agrees to notify the other institution and an updated agreement will be made to reflect the necessary changes.
